1.) Start at the market lot – 200 E. Main Street
2.) Cross Main Street and pass the Visitor Center.
What nocturnal bird do you see in the window of Main Street Limited?

3.) Walk past Johnson and Gaston Streets to Brevard Clothing. Name one of the mythical creatures in the artwork above their windows.

4.) Cross Broad Street. What Brevard-famous animal is in the window of the business that goes by the same name?

5.) Continue past the stars in the window of the bookstore and the cool display at Mantiques. Cross Caldwell, pick up the pace, and walk to Marco Trattoria. What is sitting on the bench in front of this restaurant?

6.) Pass Marco's, turn right on Oaklawn, and then right on Probart. When you see the cows, look to your left. How many skeletons are riding bicycles?

7.) Turn right on England and cross Main to the fire station. Turn left and at Harris Hardware, what costume does the squirrel painted on the front window wear?

8.) Cross Caldwell and find the store named Roost. What is right by their front door?

9.) Next door at Gravy, whose hats are hanging from the ceiling in the front window?

10.) Look for a sign that says "Fresh Fudge" and name the big mythical creature in the window.

11.) Turn right at the toy store and write down the name of the store that sells Halloween costumes.

12.) At Bracken Mountain Bakery, what color is the tree in the window by the front door?

13.) Make a right at the sign that says "Welcome to the Crypt" in the window of Rocky's, and walk past the gallery with the printing press in a window. Cross the alley. What color do you think the lights are in the window of the store that sells plants?

14.) At Caldwell, take a left. We're going to loop the block so pick up the pace! Turn left onto Morgan, cross the street at Broad and turn left. Head up the hill. Cross Jordan Street, and look in the plaza, up the steps on your right. One business has a mythical creature in its name and the other a real one! What are the two businesses?

15.) Back on Broad, go to Main and turn right. At Cup & Saucer can you find the product in the window by a farmers market vendor? (Hint: it's all the buzz!) What type of product is it?

16.) Continue down Main. Inside DD Bullwinkle's, on the back wall, there is an animal surrounded by what looks like a glowing red moon. What is that animal?

17.) At Theophilus, write down the color of the chair & ottoman in the front window.

18.) Now let's pick up the pace one more time! Walk back to the market lot and when you get there, list the three colors of the fire hydrant that is at the corner of Main & Rice Streets.
